About the Camp: The primary emphasis of this camp will be on the development of fundamental skills through group and individual instruction and game experience. A complete staff of high school coaches and high school players with previous camp coaching experience will conduct the scheduled sessions under the direction of Coach Piccola, as well as be available for individual assistance on a daily basis. Awards will be given to the winning team members, to most improved players, to contest winners and to outstanding campers in selected categories as selected by the staff.
